Wilderness Property Owners' Association, PO Box 466, Olympia, Washington 98507-0466

Applicant: Date:

Address:

Email: Phone:

Please describe the work for which you are seeking approval.

Plan showing the location of the structure to be built, including lot lines and existing structure (or attach a document or picture showing this):

Construction plans and specifications (or attach a document or picture showing this):

Please note:

Bylaws state that outbuildings and/or storage sheds may be approved at the discretion of the Architectural committee provided they are:

- mostly hidden from view from the street (behind a fence or plants)
- of composition and design in harmony with the main residence
- setback a minimum of five feet from the property boundary

The Wilderness Property Owners' Association reviews this application only for compliance with WPOA Covenants, restrictions, and requirements described in the Protective Covenants of the Plat of Wilderness. The review is not intended to determine compliance with any applicable codes or approve of any methods of construction. It shall be the responsibility of the applicant to be in compliance with any applicable codes. The applicant shall assume the responsibility for any adverse impacts to any Common Areas, and shall restore any such impacted Common Areas to the condition before any such impacts occurred, to the satisfaction of the WPOA.

Applicant's signature:
